

**WIRE ROPE.
IT'S IN OUR
DNA.**

Crane Ropes Australia offer a complete term of life solution when it comes to your wire rope.

From application review, including selection and specification assistance, through to post wire rope retirement analysis and testing, Crane Ropes Australia is your trusted wire rope solutions provider.

Based in South Australia with a national distribution model, we focus on providing wire rope solutions to crane owners throughout Australia, from Hobart through to Darwin, Karratha across to Cairns.

Crane Ropes Australia is part of the LiftQuip Australia group, who have a strong commitment to being a solution provider and offering a high level of personalised service to customers

With offerings from the world's leading manufacturers, including Bridon, CASAR, and many more, we can provide wire rope solutions for all of your mobile, truck mounted, overhead or fixed crane requirements. We can also offer synthetic winch rope and hybrid rope alternatives in certain applications.
